Please note:

While we prefer that senders remit funds via *FEDWIRE*, we realize that it is more expensive to do so. Therefore, if a remitter is planning to send funds to the Library of Congress through ACH, the Disbursing Office should be informed by memo as to the **amount**, **approximate date**, and the **fund to be credited** on receipt of the transfer. This will ensure that the funds will be identified upon receipt and credited to the proper account. If there are any questions, please contact Ms. Melissa LaDieu, Disbursing Officer, or Ms. Deborah Carroll, Operating Accountant at (202) 707-5202.

If you plan to use EFT to pay your Cooperative Acquisitions Program bill, please also send an email to Georgette Jacoub at geja@loc.gov or Anu Goel at agoe@loc.gov in the Overseas Operations Division notifying them of your intentions and the program(s) for which you are transferring funds.

For funds sent from outside the United States – you should send payments via *FEDWIRE* only. Your payment will be deposited to the Library's government account with the Federal Reserve Bank of New York. Please notify the Disbursing Office of your remittance by identifying who is sending the funds, why the money is being sent and the amount.

Faxes may be sent to the Disbursing Office (202) 707-2829

E-mail may be sent to any of the following:
